

Navid Manganese Co.

No: 3456
Date 2005/11/20
Enclosure:

In the name of God

To honorable Chairman of Behineh Niru Spadan Company

Hi

Respectfully, hereby we inform you that, the Power Analyzer device, designed and manufactured by Behineh Niru Spadan Engineering Company, for energy management of electric arc furnace in Navid Manganese Company has technical consent of our company, and the use of this device has saved us about 10% in consumed energy, has improved the quality of our products, and has helped us in controlling the furnace efficiently. Post sale services are also satisfactory.

Thanks

Hesamoddin Nayeri
Technical and
Exploitation Director
